Love that one.

Elvenking - "The Silk Dilemma"  
Album: *Wyrd* (2004)  
Genre: Folk Rock/Metal

I listened to Elvenking once, that was an adventure. I felt like I had been kidnapped by an army of elves and thrown into a mystical land of fairies and dragons. Needless to say I didn't become too large of a fan ☐

*Varyags Of Miklagaard* - Amon Amarth

Genre: Melodic Death Metal  
Album: *Twilight Of The Thunder God*

This song is one of my top three off this album

They came and took you to Narnia...AND THEY LEFT ME BEHIND?!  
WHAT THE FLIP?! ☐

Still stuck on Robert Johnson/Eric Clapton. This may take awhile...but I'm fine with it.

Catholic, pro-life, and proud of it. I prefer my debates on religion, politics, and sports with some coffee and a little Aquinas and G.K. CHESTERTON here and there. :3

Unofficial #1 fan of the Who Dat Nation.

A Really Good Song

Perhaps the best reason is so that I don't have to keep switching back.

Decided to listen to some Nightside as well ☐

Nightside - Battlestorms

I need more of them on my pc, so far this is the only song >.>

"The Ectopic Stroll" - Between the Buried and Me

Are these "human rights" in the room with us right now?

☐ Professional pessimist. Reactionary socialist and gamer liberationist. Coffee addict. Fun at parties ☐

Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is

You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time
