everyone knows that quote, "I know not what weapons World War Three will be fought, but World War Four will be fought with sticks and stones," but in a way it's optimistic and inspiring because it suggests that even after destroying civilization and returning to the stone age we'll still be sufficiently globalized and bellicose to have another world war right then and there

Neurosis-Raise the Dawn

I'm really not posting much again. Did a big spree and now I'm kind of just slowly posting. Though 3 60+ minute albums yesterday is decent.

Gotta try and finish as much as possible again before 2014, though.
