Hornislav.

Pupil: Teacher, why did you give me a B and not an A?

Teacher: *points out a mistake in the word Hornislav* in Suuriyan language it is HORNYSLAV.

Pupil: (realized that he was discovered): I see, (he ran so fast his heels were glistening.)

[He was caught by the Suuriya police and by court order, the little Selanese spy was quickly discovered and deported to HORNYSLANESA OBOLO].

Cons to going to AN:
- you don't care about grammar
- you don't want to be oppressed by the government

I stand with the victims of human recklessness, especially animals.
