All of these sound awful. I'd try to either get the hell out of the country or start a new, underground party.

AN is dictatorship. So I'll probably join a pro-democracy group trying to oust the regime.

NS country in Europe, modern day. NS Stats aren't to be followed.

The Federal Republic of Libernia

Summed up:

Refugees fleeing wars in West-Central Europe. Colony controlled by the British then by the French. Declared its independence after WW2. Now a mix of British and French culture along with Mediterranean hospitality and Canadian tolerance. High standard of living. Diverse society. Located in Asia Minor on the far edges of Europe. What is presently Turkey.

We are not a dictatorship(at least not officially), there are elections and there are more parties.
