Little bit of a celebrity on F7, kinda well known.

Too authoritarian? Yeah I get that a lot.

Proud member or observer of the GSC, ISD, IED, InterCOM, FIRE, 1st signatory to the Shieldstan declaration of banning slavery and author of the Proclamation on the Rights of the Individual.

Very well known, Europe doesn't really get into NSGP affairs (except WA affairs, but not too involved into outerregional politics as far as I know), but they are so close to overtaking one of the longest serving delegates in NS, and that is certainly impressive and tells a lot about how well-received they are in a region like Europe.

I've seen them quite more than a few times already, so I'm going to say quite known (at least on F7)!

Haven't seen them often enough, so probably not as well known.

A well-known person. However, this is only on F7. He is found all across F7, but you will basically never find him outside this part of the forums.

BN: Last time I was on NationStates and actively playing it before around a week ago when I founded **Lonialand** and abandoned it the next day was around 2 and a half years ago. You probably know me as **Wrongdenmark** if you were around then.

AN: Seen you like once. Because of my limited time with nationstates after 2 years ago, maybe? But I don't know.

The first time I've seen this person, which isn't surprising considering the newness of their nation creation. Never heard of the other nation, not even its card showed up in my inventory.

Fairly known. I've seen them and I'm sure they're known a bit.

Having seen this account is quite new (and just recently trying to get out of a long break out of NS), you could take a look on my 2 slightly active accounts: [Hdisar](#) or [The Aituia](#)

Fairly well known, while I have not frequently seen them on the forums, they are a member of the Storm Sentinels (a defender army), and that means they participate in wider NS gameplay, that says that they are more known than your average user
