I find this funny because a different nation states they like Bikes over Cars in their sig. maybe you two should have a debate.

A nation run by a deranged heartless obese creature that calls itself General TN, which enjoys regularly eating the poorest of its nation all while pampering the rich.

this perfectly fits someone

You must be laughing right now.

You know, I actually was, because I was reading the previous page to see if I'd posted on it. Funnily enough, it was because of the "the world is drunk" thing in your sig, I was thinking "not in Khoikhoia, buddy" because alcohol is banned.

Well, anyway, that was quite a bit of yapping for you.

Read and upvote my factbooks!

They are genuinely good stuff, so indeed I did! <3 Even the Presidential one, even if that is WIP but hey, I know it will be great! ♥

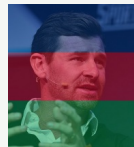

EDIT: I forgot to mention the in-character ads that you have put in, for example in the Jesuit one. Makes it pretty unique, yes!

You're perhaps the most wholesome person on F7, always positive and friendly. Thank you very much!
