Jesus Tod, Burzum.

I don't know why he thought adding awful keyboards to this was a good idea.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

G Dragon - One of A Kind

By three methods we may learn wisdom:
First, by reflection, which is noblest
Second, by imitation, which is easiest
and third by experience, which is the bitterest.
