Yes, it sounds fun to live in a mythical environment. Plus, it has rather high civil rights.

What if two short-lived quasi-states in 1920s merged as one and made it into 21st century? Because why not?

Please note that not all things about this nation reflect my views.

Actually, a lot of things about this nation contrast with my views.

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

I am a Cuba where Fidel was overthrown. I exist in MT. American tourism and big business is welcomed.

I am right wing and pro market.
