Depending on the region. If done at the coast or jungle, just a trial and 6 months of jail.

If it happens in the highlands, it will be a struggle session, lashings and a year of jail.

(Skipping AN, no crime)

You'd be stopped by Airport Security and asked to declare the Cookie Dough due to flour and sugar from other nations. So, you'd be given a fine of between 100-500 depending on the amount.

If for a Halloween Costume or some other semi-playful / playful role: Nothing. Maybe some compliments if it's a good impression.
If used to conduct illegal activities and such: Most likely a severe fine. Perhaps some jail time, though not an extreme amount.

A 50000 Moneta Korolevstva fine and potential conscription for 5 years of service is the harshest penalty for fascist advocating and terrorism although it varies wildly based on how they go about advocating their philosophy.
