The executioner being the executed.

A subdivision of the Marine Corps of the United Nations Space Command (UNSC), responsible for the military, exploratory, and scientific endeavours of the Unified Earth Government (UEG) and has acted as the emergency governing body of the human race at large for a time.

Power coming back

Ittonia, an island at the northernmost of the north sea experiencing great history, and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

So now, we honorably sign this post in the name of our nation: The Republic of Ittonia
