Elton John - Candle in the Wind
From *Goodbye Yellow Brick Road* (1973)

*And it seems to me you lived your life
Like a candle in the wind
Never knowing who to cling to
When the rain set in
And I would have liked to have known you
But I was just a kid
Your candle burned out long before
Your legend ever did*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Elton John - I'm Still Standing
[Live performance](#)

*Don't you know I'm still standing better than I ever did?
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind*

*I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah*

Do you think I'm pretty?
Do I make you feel like cheating?
And I'm like no, not really cause*

*Not everything can be so black and white
There are demons in the broad daylight
You've got to sleep like a baby tonight*

*Sleep like a baby tonight
Take care of your heart until it is light
Where you stand, where you fall is where I kneel
To take your heart back to where you can feel
Like a child, a child*

Radiohead - The Tourist
From *OK Computer* (1997)

*It barks at no one else but me
Like it's seen a ghost
I guess it's seen the sparks a-flowin'
No one else would know*

*Hey man, slow down, slow down
Idiot, slow down, slow down*

*Sometimes I get overcharged
That's when you see sparks
They ask me where the hell I'm going
At a thousand feet per second*

*Hey man, slow down, slow down
Idiot, slow down, slow down*

*Hey man, slow down, slow down
Idiot, slow down, slow down*

U2 - Song for Someone

From *Songs of Innocence* (2014)

*You got a face not spoiled by beauty
I have some scars from where I've been
You've got eyes that can see right through me
You're not afraid of anything they've seen
I was told that I would feel nothing the first time
I don't know how these cuts heal
But in you I found a rhyme*

*If there is a light
You can't always see
And there is a world
We can't always be
If there is a dark
Now we shouldn't doubt
And there is a light
Don't let it go out*

*And this is a song
A song for someone
This is a song
A song for someone*

Radiohead - No Surprises
[Live performance at Glastonbury 2003](#)

*A heart that's full up like a landfill
A job that slowly kills you
Bruises that won't heal
You look so tired-unhappy
Bring down the government
They don't, they don't speak for us
I'll take a quiet life
A handshake of carbon monoxide*

*With no alarms and no surprises
No alarms and no surprises
No alarms and no surprises*

Billy Joel - Lullabye (Goodnight, My Angel)
From *River of Dreams* (1993)

*Goodnight, my angel
Now it's time to dream
And dream how wonderful your life will be
Someday your child may cry
And if you sing this lullabye
Then in your heart
There will always be a part of me*

*Someday we'll all be gone
But lullabies go on and on
They never die
That's how you
And I
Will be*

Billy Joel - She's Always a Woman
From *The Stranger* (1977)

*She is frequently kind
And she's suddenly cruel
She can do as she pleases
She's nobody's fool
But she can't be convicted
She's earned her degree
And the most she will do
Is throw shadows at you
But she's always a woman to me*

Bon Jovi - Bed of Roses
From *Keep the Faith* (1992)

*With an ironclad fist I wake up and french-kiss the morning
While some marching band keeps its own beat in my head
While we're talking
About all of the things that I long to believe
About love, the truth, what you mean to me and the truth is
Baby you're all that I need*

*I wanna lay you down in a bed of roses
For tonight I'll sleep on a bed of nails
I wanna be just as close as the Holy Ghost is
And lay you down on a bed of roses*

Paul McCartney - Let Me Roll It
From *Good Evening New York City* (2009)

*You gave me something, I understand
You gave me loving in the palm of my hand
I can't tell you how I feel
My heart is like a wheel
Let me roll it
Let me roll it to you
Let me roll it
Let me roll it to you*

Nembrionic - *Dawn Of Rage*

CVT Temp wrote:
I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.
