I just found that band today in my quest for more melodeath variants. ☐

Sweden has such a disproportionate amount of quality melodeath.

Once again, A GTA game finds me a song to add to my favorites.

I don't think I've cared enough for a single GTA 5 song so far to add it to anything.

Except I did actually kinda like a Tommy Lee Sparta song on it.

The first time I heard "Royals" by her, I thought it was Justin Bieber...so I'm a bit iffy about her so far.

How the *balls* did you think that was Justin Bieber?

Bieber sounds like a girl, they both sound young, it was quite poppy, and at first it seemed to me not highly original. It was mostly the voice though, sounding like Justin Bieber, whom I thankfully haven't heard since that first stupid single he had.

Psycho (name of that song) is pretty awesome but I wish they would have added some of his other ones ([Uncle Demon](#), [Buss A Blank](#), [Goat Head](#)...I could go on ☐).
