Billy Joel - The Downeaster 'Alexa'

From the album *Storm Front* (1989)

*Now I drive my Downeaster "Alexa"
More and more miles from shore every year
Since they told me I can't sell no stripers
And there's no luck in swordfishing here*

*I was a bayman like my father was before
Can't make a living as a bayman anymore,
There ain't much future for a man who works the sea
But there ain't no island left for islanders like me.*

[Factbook](#)

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

"only you" - maedasalt

Are these "human rights" in the room with us right now?
