No. I would rather not be "assimilated" by the Cosmic Mainframe, regardless of the benefits it could potentially bring. I'd rather not be a slave, regardless of how you try to spin it.

Also Albennia please don't just respond to me with "No." again

Would YOU live in the AN? Mark II.

by **East Blepia** » Thu Feb 06, 2020 8:55 pm

It wouldn't be possible for me to live in AN, because immigration is forbidden.

20 years in Iraq and Afghanistan, 10 years in Syria, constant brinksmanship with Iran, \$230 billion^[1] and counting in military and economic aid to a first-world country, and the agitation of Islamic extremism^[2] causing tens of thousands of civilian deaths is not enough. America **MUST** do more for Israel. If you ask what we get in exchange, you are an anti-semit.

Definitely, definitely not. Absolute monarchy? **NO.**

THE PEOPLE □ ETERNAL

" We will not bow to your dictation. We are free. We bled to be free.
Who are you to tell us what we may and may not do? **We stopped being your
slaves an era ago.** "

South Reinkalistan is a massive, ecologically-diverse nation notable for its
roving student militias and widespread hatred for the elderly.
In the midst of a room-temperature cultural revolution that's lost its momentum,
the Party carefully plans its next move.
As the brittle bones of fragile empires begin to crack beneath their own weight,
history's symphony reaches crescendo pitch. The future is all but certain.

No!

Saarkon is Central-European-like social democratic federation, formed from small Slavic republics.

Equality! Liberty! Democracy!
Ravniče! Svobode! Demokratija!
Равниче! Свободе! Демократија!

I generally use NSStats. Except population. It's always 286 million. Saarkon is MT. Sorry for spelling mistakes, English is not my 1st language.

Currently this nation is under construction because I abandoned it for a year. Hopefully I will return to RPing soon.
