I am gonna guess one of those tribal clans, but with a huge bear that constantly roars, and the villagers have to translate those roars into (hopefully) correct interpretations.

Constitutional monarchy but the monarch is the executive branch and is responsible for many things other than ceremonial purposes

Highly democratic and freedom-loving population, what if Mongolia and Japan had a child who also has an Indian driving instructor, increasing tensions between Market Socialists and Maoists, eats the aeugh fish, pets the aeugh fish, Aruday metro train doors have a tendency to amputate riders

Semi-democratic constitutional monarchy where the monarch still maintains a significant amount of power.
