Going off the images that popped into my brain when I first saw your flag...

A warm cabin in a snowy alpine mountain at night. Curled up under a blanket on a big chair in front of a fireplace with a hot drink in my hands, I feel content.

Then I wake up and i'm back in my uncomfortable bed. I fall out of bed and immediately turn on the computer where I continue the cycle of consuming and creating memes to perpetuate the illusion of human contact as I slowly wither away and die.

Brief nation summary:

Imagine an unruly federation made up of a bunch of kinda Celtic-ish, sorta

Germanic-ish tribes.
Then add a government which used to be a fire-worshipping cult, drugged up berserker soldiers and Red Jesus.
