I was listening to this song earlier tonight while in line at Wendy's. I was nodding my head to the main riff and the cute girl behind the counter asked what I was listening to. I just said "groovy Halloween music", haha.

I would have unapologetically said either black metal or Carach Angren (depending on what she looked like) ☐ I went with Carach Angren style corpse paint this Halloween (check the metal thread 'cuz I'll probably be posting pictures sometime) so if I went to Wendy's like that... ☐
