My region is set during the Star Trek Online timeline, so the year is 2411. Tigrexia is a member of both the Klingon Empire and the Romulan Republic. So we are an FT Nation.

A heavily militarized, nationalistic nation located in eastern Europe. Having endured countless acts of suppression and oppression, Vyrkotia advocates the doctrine of populism and the support of a modern kratocracy.

0/10. So non evil there is a danger of them turning into a goodness black hole.

Zravvisk is the name of our species, but other people commonly call us "Space Dragons".

Don't meddle in the affairs of dragons for you are crunchy and tolerable with condiments.

A day in the Armada isn't too different from a Star Trek episode if almost everyone in the Federation was a dragon and spiritual.

Trying to collect every NS pokemon card. Almost 630 collected.
