Monkey 144 was at the wrong place at the wrong time, for such an act he was punished by strange men in black suits

I do not exist, stop pretending I'm real. Accept that I am a mere illusion created by some random internet loser trying to trick you.

Monkey 143 glitched reality, allowing him power over time. he saw all monkeys that died and are to die... and then he got shot by the NSSTAES.

Monkey 139 died of old age in a hospital bed, alone, old, worn out, barely functioning, absolutely miserable. Arguably one of the worst ways to die.

Monkey 137 thought the monkey plot was too dry, so he resurrected 2192 by soul-trading. Monkey 137 died in the process.

Monkey 136 was forced to listen to hard rock music for 24 days straight. The monkey then fell off a cliff from insanity.

Monkey 2192, now resurrected through a soul trade by monkey 137 went on to live a fun and exotic life with no problems whatsoever, until he decided to go skydiving blindfolded while forgetting to get a parachute.

Monkey 134 wonders what happens when we reach 0.
Goes on in life to propose model for warp speed.
Warp speed is used as weapon.
Warp speed destroys monkeys world.
Only monkey 134 died, the rest escape.

Monkey 130 quietly shed a tear
For he was bullied for his very big ear
All the kids of far and near
Would come to mock the poor monkey's ear
So monkey had enough and decided it was time
To kill all of the children with a nice rhyme
He took his father's gun and committed the crime
The monkey then turned all of the kids to grime

And before his final shot he shed another tear
He would never again be mocked for his ear
Knowing his fate was approaching near
He took his own life without fear.

Monkey 129 made wings out of wax and flew in the skies. Unfortunately he flew too near to the sun and melted off his wings. He fell from the heavens and was never seen from again.

Monkey 126 couldn't hold it in while at school. "Screw the public bathrooms!" He thought. "I'm waiting until I get home!"

Those were the last thoughts he ever thought.
