Konichiwa! Ashotu is a country in south asia where rice is common.

Rice is rather popular in most of Asia - if I recall correctly.

A Ukrainian political organization founded in the 1800s, now finally having gained power. A story between the man at it's helm, **fascist horror**, his militant libertarian yet questionably sane brother, a priest who advocates Orthodox Israelism, and a Galician socialist, all under the mercy of the Gods, all determined to fulfill one simple goal: Supremacy over one.

Ah, modern-day Ukraine; I see.
