His comrades fought beside him  
Van Owen and the rest  
But of all the Thompson gunners  
Monkey 3677 was the best  
So the CIA decided  
They wanted Monkey 3677 dead  
That son-of-a-bitch Van Owen  
Blew off Monkey 3677's head

★THE STATE OF ACHARET★

The puppet that just won't stay dead has crawled its way out of the grave once more.

oh shit oh fuck why is there a black hole full of angry Canadians trying to kill me-

Roland searched the continent  
for the man who'd done him in  
He found him in Mombasa  
In a barroom drinking gin  
Roland aimed his Thompson gun, he didn't say a word  
and he blew Monkey 3678's body  
from there to Johannesburg

Monkey 3673 did the werfing with the flammen. However, as he was in Western Fardelshufflestein, this was illegal for all but the royals, and as such he was killed in the ensuing police standoff.

Monkey 3666 was a particularly religious monkey, and somebody wrote a small asterisk after the 3. The monkey chose death before damnation... forgetting that in his faith, committing suicide WAS damnation. Silly monkey.

Silly eternally damned monkey.

Monkey 3665 was a WF Parliamentarian. Years of getting beaten up led him to develop chronic traumatic encephalopathy, which he was diagnosed with posthumously.

Monkey 3663 was yet another victim of the infamous Palindrome syndrome. He wasn't killed directly by it, however, as he was shot with a blowgun by another monkey who feared it was contagious.

Don't trust Moderators.

Moderators Lie.

Copy and paste this into your sig if you think we should colonize other planets  
Hyperpartisanship will be the downfall of civilized democratic society, it's already in progress as we speak, yet the people are too blinded by their hate to realize it.

As you can see, I am also a braindead piece of shit who can't do anything important and can't write lore at all whi abandons nations and leaves them to die out of pure fucking laziness, so please don't say that any post I make us remotely good at all.
