It seems this dude is a OG to the game and more newcomers like me don't know him, or he is a RPer and he spends lots of time on RP threads

I've seen Serbian E around in a few threads, but I do not know them very well. Then again, I have been off the scene for a few years.

---Ninja'd---

I have seen Terra Magnifica Gloria around and I believe that we have interacted in a few Forum 7 threads. Don't know them well, though.

From the Minister of Foreign Affairs of the Marineri Islands:
The central emblem on the **Marineri Islands** flag represents a **penu**, a traditional carved rock or coral tool common across the Austral Islands (irl part of French Polynesia) which is used to crush food, similar to a pestle.

It is not a dress.

Would be well-known a while ago, though I imagine the fame would have decreased by now.

They seem to be consistently active on NS, especially on F7, and they've made themselves well known and distinguishable about the place, notably through their conlang and the... other stuff surrounding that language.
