I see them very often in F7, so I'd say they are well known.

Oh wow...

Okay, hello there **Pikachu Peoples**!

So, I think it's safe to say that for this new arrival to NS and thus, Forum 7 as well is one of those instances of being someone who pretty instantly becomes memorable for... Well, the easiest thing to say is there "memery", I suppose?

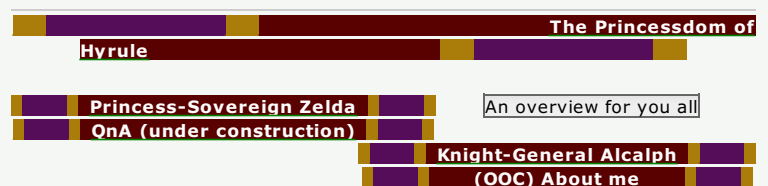

Not that there's anything wrong with that, not at all! Meme nations certainly can stand out in their own regard. But then again, it's an unfortunate truth that I simply can't say much regarding them.

So, already I think people can recognise **Pikachu Peoples** for what they are, but I can't say whether they might have a bigger impact on F7 than that.

Uhm, no offense of course! Who knows, maybe you can prove me wrong? Either way, have a great rest of your day! ^ ^

~~Just don't do anything that'll make you infamous, okay?~~

Excellent reputation and of course, very, very well-known from a few years back till now. From their nation as TA (so sorry, I often have trouble spelling that!), to the comeback as the Hyrule Princessdom, the quality of effort has increased significantly from already-great to amazing, and they are a really swell person to talk to.

AAN: Pretty well known, though I believe they have gone offline or away from F7 for sometime, and are recently back, like a week or two ago. I've seen them try NSS but I guess it didn't really stick? Ahh, to each their own, of course!

AN: Has quite the rep on F7, though not as frequent. Their popularity is still developing so hey, give it some time!
