They Might Be Giants - *Istanbul (Not Constantinople)*

Hands down the best song from TMBG (in my opinion).

Drake - 6 God

Oh look, another non-Southern rapper rapping like he's from the South. How original.

Effing trend hoppers.

Eluveitie - "*A Rose For Epona*" (Song got interrupted by a phone call from the police... don't worry, no one was in trouble)

Eluveitie - "*Alesia*" (One hell of an epic song!)

I actually don't mind the occasional harsh vocals, I suppose the music makes everything sound better.

Miles Davis – So What

GOD this is so damn amazing.

Septicflesh - Anubis

ANUUUUUBIIIIIS! My sole source of light! And with your feathers I can fly!

ANUUUUUBIIIIIS! Don't let me wither and die!

I am yours for life, I am. The guardian of the dead, appointed by the gods, to be my final judge.

Who knew a worship song could be so awesome? Of course, worshipping an Egyptian God of Death is much more *metal* than worshipping the 'other' God. ☐
