So my favorites works again...but now I don't really feel like clicking YouTube links every time I get a new song anymore...So in other words I'm going to be lazier when going through music now, at least until I live somewhere with faster Internet or I get a faster computer since that process slows me down so damn much.

Wardruna-Fehu

Some viking tribal type of music done by some metal singer, I believe. Wish their first 2 albums were still on Spotify.

@Corrian

Thank you for reminding me that Wardruna's new album has come out. I just bought it after I saw that you had been listening to them.

Wardruna is awesome.

I'm not going to listen to the new stuff until my album arrives in the mail, though.

Listening to Forward the Spears by Lathspell now.
