Ah, the classic post-count enhancer. I'm game with youtube goodness!

Jimi Hendrix - Killing Floor, Monterrey Pop Festival 1967

To make a long story short, this is Hendrix's US debut, and keep in mind, this was '67; not many people in the crowd had even heard of Hendrix before. Backstage, Hendrix and Pete Townshend of The Who both refused to follow the other group's performance, so they flipped a coin to see who would play first; The Who won. They played their set first and they rocked. Needless to say, you've got a hell of a task ahead of you when you need to outplay The Who, and on top of that, you're playing to hundreds of thousands of people who have never heard you before. But then Hendrix came on, and this is how he started the show:
