Argentina if you were drunk and sleepy.

Zamanbalad is an internationally-unrecognized nation consisting of Muslim refugees who fled Catholic Adrionis' high taxes against Muslim families. We advocate for the complete destruction of Catholic Adrionis, as well as the death of King Xavier Sovrano Cisco. Despite bad press, we wholeheartedly support the crusader organization called "Death to Adrionis."

The Anarcho-Communist People's Republic of New California Island Comrade Posadas was right: The dolphins were intelligent, the nukes were exploding- and our glorious republic arose from the ashes of California. He got one part wrong though: our revolution was triggered by Covid-19

This nation represents 80% of my real life views.
