No better than a Tory, really. Labour is far gone as well.

Ah, the corporation! Lovely ain't it! A inherently autocratic organization blindly worshipped by nimwits worldwide as a force of freedom. Somehow not understanding it merely heralds the return of statist control under a different name. Ejya might not have much loyalty to it, but an opportunity to get on top is always welcome and to do it under the 'guise' of upholding liberty makes it all the more sweeter.

Goes into a site where you can make any utopia which can be wildly different from reality.

Decides to go status quo, anyhow.
