Yes, just based on the fact that his flag looks like the Springboks crest.

I saw a terr on the bundu track
He had a landmine in his pack
When the troopies opened fire
They found his head in Bulawayo!

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

No matter how much I love cats, no, definitely wouldn't.

SELSKA IS THE ROOT TRAIN, BROTHER!

When the student movement spills across the *Katastrofestaat*, one underground shelter erupts into a refugee rebellion. Co-opted by an eccentric Eco-National Bolshevik Afrocentrist and his posse, Selska is the last holdout of a people just hoping to survive - but can this revolution last a changing overground?

Would I live in Napoleononic-Russia? Absolutely not.
Reason: They have a bit of an authoritarian government which would strike fear in me if I live there. Oh, and conscription is not for my taste either, thank you very much.
