Alessia Cara - Here

*Excuse me if I seem a little unimpressed with this
An anti-social pessimist, but usually I don't mess with this
And I know you mean only the best and your
Intentions aren't to bother me
But honestly I'd rather be
Somewhere with my people
We can kick it and just listen to
Some music with a message, like we usually do*

If liberty means anything at all, it means the right to tell people what they do not want to hear. - George Orwell

Wise men speak because they have something to say; fools because they have to say something. - Plato
