AN: National Party of Monteviento (PNM) or the Green Party (PV).

BN: If you choose a party with factions (i.e. Liberal, SDP, or National), perhaps also say what faction you would most align with/vote for.

[Constitution of Wizlandia](#)  
[Wizlandia Political Parties](#)

□□□□□□□□

“

*If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.*

OOC: Deciding to answer in-character

IC: **Miya:** "As a Marxist, I originally thought I would say the Socialist Worker Party, but voting against every budget bill is just rude and unproductive... The Green Party is also appealing, but I'm not so sure about complete drug legalization. I'd prefer just a few... hm. Perhaps the Democratic Socialists, then. I can sympathize with joining a larger party that doesn't quite represent your cause. Marxists lead the Grand Coalition, but we had to pick Fukushima for premier to get Labor's support."

(Answering IC)

**Mizushima:** "Goodness, there aren't a lot of choices for a peaceful Marxist in Western Theram, are there? Of course, the nation is quite young, having only just seceded from a state backed by foreign powers. It's not exactly an ideal time for politicking. I shall have to vote for the progressive wing of the Prime Alliance Party... though a party having such divergent wings seems to rather defeat the purpose of having a party."

(Answering IC)

**Premier Fukushima Sonoko:** "My, there are a lot of options! Hm, I think I'd spring for either the Arvenian Reform Party or the Equal Rights Party. They remind me a bit of my own Labor Party. If I were to choose an extra-parliamentary party... hm, I'm a bit nervous because I don't know much about these parties, but Social Development seems interesting. I can't help but sympathize a little, as Baizou's place in the Pacific has caused our exclusion from pan-Asian initiatives in the past. Baizou, too, wants to be recognized as part of Asia."

OOC, BN: Bear in mind that some of Baizou's parties' names belie their actual platform, e.g. Baizou's Marxist party is anti-revolutionary while the Socialist party is very revolutionary.

I like the Labor Party, and the Green Party is pretty good as well. The Socialist Party was originally appealing but the more I read the more I grew to dislike them. Marxist Party is ok too, so I'd consider a vote.

BN: We use MMP, so choose one party you'd vote for FPTP and one for PR.

Anatoliyanskiy is basically if Canada, Australia and Russia had a baby.

Luxemburg and Bookchin did nothing wrong.

Forums that I've posted: [viewtopic.php?f=20&t=487988](#) (dead but useful for info)

I've been on this site for 2 years. I don't know if this is an accomplishment or just sad.

OOC: Eyyy, thanks for reading the parties so thoroughly! As I was writing, I wanted to defy a few expectations so that it really felt like the parties were from a country quite different from my own, hence the Socialists eventually often not being what they seem like they should be.

“Feyrisshire wrote:

CATGIRL COMMUNISM

(Answering IC)

**Ambassador Mizushima:** "Oh my. As a Marxist, I had hoped to find more that appealed to me, but I must confess I don't much go for Stalinism, Leninism, or Maoism. This is awkward. Hm, I like the Rifle Association's pan-leftism, but I'm quite anti-gun. And the Soviet Councils and Syndicalists aren't an option, because while I'm a Marxist, I'm not actually all that much of an anarchist. Baizoan Marxism is... weird. Can't even join the Posadists, because apparently they *want* nuclear war? There is the Trotskyist Party. But I don't want to support permanent revolution—doesn't Marxism indicate that at some point, the revolution is complete?

"Hoo. Well, I would probably vote independent in Feyrisshire. If I had to choose a party, I'd choose the Trotskyists."

**CARRIE:** "Aw, Miya, you stick in the mud. It's anime catgirls! Go big or go home, I say. The Posadists for me! Let's find those communist aliens!"

OOC, to BN: Bear in mind that some of Baizou's parties' names belie their actual platform, e.g. Baizou's Marxist party is less revolutionary than the Socialist party.
