West coast USA

(Please refer to factbook for canon stats, thanks)  
KN has been formally dissolved in protest against the Provisional Government's coup. Latest news in the uprisings and war with the international community only will be posted.

Kaliitnuunati is currently in a state of war, as many regions act independently from the central government, which has been recently coup(ed) by the Georgian Officer Corps, in order to secure the defense of the nation against a foreign intervention against multiple powers. Expect war and terror in your city if you are Kaliitnuunatian. Please call 112 if you wish to enlist with the military or require state intervention for basic resources in your region.
