Nah it's capitalist

Listen guys I don't like the market either but do you really want the government making fidget spinners?

Sure, this is kind of how I started as a nation

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay

Their sig alone tells you really all you need to know

“

A cold and barren nation straddling the arctic circle, nearly reliant on mining to be kept afloat.

So uh, I think I'll pass. No offense, but my winters are already cold enough.
