I only got like 6 hours of sleep, but that isn't really unusual for me, so. I am tired a lot, though...My sleep has been better recently.

I'm starting out my day with kind of mellow, somber music....Not really a way to wake up.

Eminem - Till I collapse

Used to be a straight-edge orthodox communist, now I'm *de facto* a state-capitalist who dislikes migration and hopes automation will bring socialism under proper conditions.
