I HAVE COME TO BREAK YOUR CHAIN, FOOLISH ONE.

I dunno, Arelont?

The Germanian Empire | "Our Fatherland, Lord of Ash..."

Factbooks | **Tech Level:** PT/FanT | **Current Year:** 1933 UE (1948 AD)

*In a strange world not so different from ours, a young empire stands hot off the heels of a ruinous war. Born and forged in the fires of battle, it is headed by an embittered **Kaiserin**, a camarilla of scheming generals, and a heartless young devil. Stretched to a breaking point and bleeding by the stress and hubris of vainglorious triumph, the Fatherland has been given a promise from the Lord. That they shall have no limit, world or time, but know war without end, and that for their sins the flames of hatred shall scorch their lands forevermore.*
