Two Fingers-Doing My Job

2 massively large albums (Over 20 songs), and then I'm moving onto....a 21 song electronic album. Big albums but with a lot of relatively short songs.

Birdy-Birdy (Full Album)

These are some really nice covers. 4 of them of songs I know.

AND for once I am listening to stuff without posting it on this thread. Getting lazier and clogging this thread less at the same time. Not really a problem. I need to direct my focus elsewhere.

Birdy-I'll Never Forget You

I've been listening to this on repeat for like an hour now...Apparently my morning is starting with a sad song.

They're pretty good, yeah.

Godspeed You! Black Emperor is an all-time favorite of mine, and so is that particular album.
