OOC: GUYS. THIS ISN'T A DICK MEASURING CONTEST. BE SENSIBLE.

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

Niue secretly creates an underground megalopolis and is really the 22nd largest country by population, despite being a tiny pacific island, essentially becoming a real life Polynesian Wakanda.
