Uhhh, don't think so. Compulsory vegetarianism? No thank you. I like my veggies but meat's also nice even every now and then.

Yup! I think I'd enjoy the Aquaria!

Tired of having to say this: The Kingdom of Voidstania is not a kingdom. It is a communist dictatorship with a weak democratic senate under the guise of a monarchy. Normal country stuff.

Also, NS stats and policies are not canon (Because I have a tendency to click the wrong options and give myself dumb policies)

I don't think so. High quality of life, for sure, but still an autocracy and a dictatorship.

Not much info, but it seems nice enough. Minus the language; that's incomprehensible.

Definite maybe, possible yes.
