Raging on a Sunday by Bohnes, underrated singer (only has 31M views on most viewed song).
It's one of the best songs ever imo.

I like this song because it's very, stylistic and beautiful. It is great for those people who are nostalgic for the old line of racing simulators Need for Speed and others.

Nedaj is an American breakcore artist, this song is one of the most popular songs by this musician. This song was released on August 15, 2021. The song is in the genre of electronic music in the subgenre of jungle. This song uses samples of Lil B - B.O.R. (Birth of Rap) and Imogen Heap - Just for Now.
