The Ink Spots - *I Don't Want to Set the World on Fire*

Last edited by **Sitka** on Fri Mar 23, 2018 9:07 am, edited 1 time in total.

[The United Settlements of Sitka - the land of friendly vampires, camaraderie, and cloudberry pie](#)

A small corner of the world in 1872. Set in the world of the video game *80 Days*, with supernatural beings mixed in. Several factbooks need to be redone.

I'm socially awkward sometimes, and bad at keeping up with things due to life's hecticness, so I might not always be the best at roleplays etc.

The Times: Englishman Phileas Fogg departs London, having bet £20,000 that he can circumnavigate the globe in 80 days.

Local News: Karl Marx visits Sitka, is "impressed".

The Cyrkle - *Red Rubber Ball*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's

eyes to improve his vision.

Ambrose Bierce

I started playing Fallout 4 over Spring Break. Good music can be found in unexpected places.
