Home of the legendary Mega Trollge.

"I will peg you to death" - Mega Trollge

**Legend Trailing** is a festival of 2000 people in the city of Lima. The god of trailing, Mega Trollge, has laid dormant in the city for thousands of years, as a sufficient amount of trailing has been achieved throughout history. Recently, though, amounts of trailing have crashed, halting the event "The Ancient Trail-quinax", which is on the 22nd of September every year.

Monkey 732 who had lived a happy life, slowly saw himself losing control of what he did, doing increasingly dumber and more dangerous things, until he fell off a motorcycle off a cliff, while unable to stop himself.

Monkey 724 stared at the sky.

He wondered why all of his friends were dying.

He would make a stand against this... insaneness.

He stood up, taking a deep breath. He started to barricade his residence. He already had enough supplies to last him for years, as he had his fallout shelter and was a paranoid Monkey.

He played solitaire and his favorite video games when bored.

Everything was going well for him.

He would die of old age 30 years later.

Monkey 723 would attempt the same thing, however they forgot to stock up on food and water and died a week in after eating some rotten berries.

Monkey 721 is immortal. This would be awkward, but they've agreed to fake their death so that we can continue the thread.

Monkey 719 really hated Monkey 721 for being immortal, and so used an ancient weapon to truly kill Monkey 721 at the cost of their own life.
