Z-Day and N-Day are not canon.

Why not? Why do you get to say Nope? You're not owner of this thread and get to decide which topic you want to pick

New NS Mod that bans Shieldstan from saying "new ____" without stating a reason

There is no need for Timeline Recorrections if you actually follow the Structure of the thread, literally every nation follows it like this.

AN: "New Man"

BN: "Man dies because he has a heart attack, New Cat"

You just do it like

AN: "New Man"

Shieldstan: "New Deer because I don't like what AN said and I should decide what happens in the thread"
