Dressing as a chicken = Not a crime.

Raiding the national archives = Would fall under "unauthorized possession of culturally important documents".

Maximum of two months of imprisonment or a 5,000 credit fine, or both.

Article 23 of our Constitution bans most WMDs. There's a maximum sentence of fourteen years of imprisonment, which becomes an automatic life sentence if anyone is killed while using said WMD.

Not a crime. In fact, the government itself does this—left-handed students are required to write right-handed in all schools from an early age, the military makes all soldiers shoot right-handed, and so forth.
