This is easily the weakest DH album. This one's a good song though. Soon moving on to Dio.

I've found it fits my nation insanely well. Quite creepy, actually.

I've used "guy" as just a general term for people before, so I think I can understand what you mean.

I always saw the nation name "Luveria" and automatically assumed girl, even though it is a nation name, not an actual person name.

Or maybe it is. Luveria doesn't sound like a bad name.
