This nation is an original work of fiction, as are all names, characters and events depicted therein. The views expressed by my characters do not represent my actual views. Any similarity with real persons, living or deceased, is entirely coincidental.

WARNING: This nation does represent my beliefs, **but** it's also kinda insane and a bit satirical too. You should be able to tell what is satire and what isn't. If you can't, well... I shudder to think what kind of people you have to put up with.

NStats are heresy.

This nation is not communist, it is a traditionalist, expansionist, theocratic empire. Calling this nation communist is an insult to the Great Khan.

I have fallen to the dark side when it has come to NStats. I hate them like I hate sand! They're course, rough, irritating, and they get everywhere!!!!

Pro= Socialism, Women and Mens rights, LGBTQ, Environmentalism, Equal Rights, Populism, Vegetarianism, Anarchism, etc.

Anti= Communism, Capitalism, Money, The Media, Politics, Political Parties, War, Government, etc.

NOTE: When you go to read my factbooks, open the "dispatches" section, not the "factbooks" section. All of the factbooks will be in there.
