Bjork-New World (Dancer in the Dark Soundtrack)

Finished with Bjork. Lowest rating I gave was a 3.5/5. Not exactly a bad record for critical ol' me...

Edit: Note that's one rating out of 7 albums and 1 soundtrack that was a 3.5/5. And 6 of them on my wishlist

This song on repeat. Such a different singing style for Bjork (And she varies a lot in her solo work), but I'm really digging this.

Sigur Ros-Sigur Ros

Re-listening to their first album. You can tell it's a starting out album, though. The audio quality is rather low. Though, strangely, despite that, some songs seem to sound like normal quality. So maybe the quality approach was on purpose. All I know is that their change from this album to the next is quite drastic.

Edit: Not doing so tonight, though. Either sleeping now or watching a movie.
