Barbie is an Allegory for Animal Farm. Kens (Animals) seize control over the Barbies (Humans) and Ryan Gosling seizes power himself (Napoleon the Pig)

I loved Animal Farm! I remember coming home from class one day and decided to make an impulse buy and bought it from my local bookstore for about \$12, went home, found out that our wif was going to be out for 2 entire days... So I said, to heck with it, and read the entire book in a day, needless to say George Orwell did amazing - even though it's a fairly short book by standards of other dystopia novels I've read like 1984, Fahrenheit 451, and Brave New World.
