An island nation situated in the Mediterranean, founded from the blood and strife of Viking journeymen. Led by Lögmadura Paul Schaefer, it remains a beacon of civil rights and freedom in a world of chaos, but how long will its archaic structure be sustainable?

Seriously though, I'm going to be honest with you: Even if we are not going to agree as much politically or with other bits, there's no denying that I still will wish you all the best, and I do hope you will be able to get through whatever predicament you might be currently facing. Easier said than done with just positive words, I know... but hey, hang in there! ♥
