Algazeya

Also, there is probably some locale in Western Botswana with a name that starts with !, but given that the people who speak the language the name is in are hunter-gatherer nomads without permanent villages, that place isn't conducive to appearing on records.

Current-Day Alternate history: Minor discrepancies with European dynasties beginning in the late 1700s, with major historical divergences from 1821 onward. The Russian Empire flourished in the 1800s, due to earlier emancipation and the sudden collapse of the UK, and is now the world's leading superpower, in a cold war with a syndicalist US.
