Guns N' Roses - Don't Cry
From *Use Your Illusion I* (1991)

*Talk to me softly
There's something in your eyes
Don't hang your head in sorrow
And please don't cry
I know how you feel inside I've
I've been there before
Somethin's changin' inside you
And don't you know?*

*Don't you cry tonight
I still love you baby
Don't you cry tonight
Don't you cry tonight
There's a heaven above you baby
And don't you cry tonight*

Last edited by **Adab** on Sun Aug 16, 2015 6:43 am, edited 1 time in total.

Male, 23, Indonesian

Major partner in free association with [Faraby](#) (that's my puppet/secondary nation IRL).

[Factbook](#)

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Come on And Slam - Quad City DJs.

Way too catchy.

Guns are tools, not toys.

Bon Jovi - Bed of Roses
From *Keep the Faith* (1992)

*With an ironclad fist I wake up and french-kiss the morning
While some marching band keeps its own beat in my head
While we're talking
About all of the things that I long to believe
About love, the truth, what you mean to me and the truth is
Baby you're all that I need*

*I wanna lay you down in a bed of roses
For tonight I'll sleep on a bed of nails
I wanna be just as close as the Holy Ghost is
And lay you down on a bed of roses*

Bon Jovi - I'll Be There for You
From *New Jersey* (1988)

*I'll be there for you
These five words I swear to you
When you breathe I want to be the air for you
I'll be there for you*

*I'd live and I'd die for you
I'd steal the sun from the sky for you
Words can't say what a love can do
I'll be there for you*

U2 - Bullet the Blue Sky
From *Zoo TV: Live from Sydney* (1994)

*In the locust wind comes a rattle and hum
Jacob wrestled the angel
And the angel was overcome
You plant a demon seed
You raise a flower of fire
See them burning crosses
See the flames higher and higher*

*Bullet the blue sky
Bullet the blue sky
Bullet the blue
Bullet the blue*

Inhume - *Squirming Parasites*

CVT Temp wrote:

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Billy Joel - Goodnight Saigon [Live performance, August 4, 2015](#)

*We held the day
In the palm
Of our hand
They ruled the night
And the night
Seemed to last as long as six weeks
On Parris Island*

*We held the coastline
They held the highlands
And they were sharp
As sharp as knives
They heard the hum of our motors
They counted the rotors
And waited for us to arrive
And we would all go down together
We said we'd all go down together
Yes we would all go down together*

Billy Joel - Honesty
From *52nd Street* (1978)

*I can always find someone
To say they sympathize
If I wear my heart out on my sleeve
But I don't want some pretty face
To tell me pretty lies
All I want is someone to believe*

*Honesty is such a lonely word
Everyone is so untrue
Honesty is hardly ever heard
And mostly what I need from you*

Elton John - Sorry Seems to Be the Hardest Word
From *Blue Moves* (1976)

*What do I do to make you want me?
What have I got to do to be heard?
What do I say when it's all over?
And sorry seems to be the hardest word*

*It's sad, so sad
It's a sad, sad situation
And it's getting more and more absurd*

*It's sad, so sad
Why can't we talk it over?
Oh, it seems to me
That sorry seems to be the hardest word*
